Offices & Site Entrance

Directions by Road travelling north from Cambridge, A14 or M11

Leave the A14 at junction 33 signposted to Ely A10. Join the A10 northbound towards Ely. Continue along the A10 for approximately 5 miles. On reaching the Cambridge Research Park roundabout continue straight over. Take the first left turn, approximately 100 metres past this roundabout, just before a BP garage, into the entrance for the M Dickerson Industrial Park. Follow the estate road round, turning right and then left at the signs, until you come to the Donarbon and Dickerson car park and offices.

The site entrance for **HGV** and all waste and minerals related traffic do not turn left into the estate road but continue up the A10 for a further one mile and at the next roundabout take the first exit into the main entrance for the Waste Management Park.

Directions by Road travelling south from Ely

Continue along the A10 southwards towards Cambridge continuing straight on at the roundabout at Stretham and past the small village of Chittering. For **HGV** and all waste and minerals related traffic turn right on reaching the Waste Management Park roundabout into the main entrance to the site. For the **offices** continue straight over the roundabout along the A10 for a further one mile. Just past a BP garage turn right into the M Dickerson Industrial Park follow the estate road round, turning right and then left at the signs, until you come to the Donarbon and Dickerson car park and offices.
